Helping Rancho Viejo Residents & Cats since 2009

Winner of 2012

Community Impact Award

advocat Rancho Viejo

Who are we?

- Residents of Rancho Viejo
- Volunteers, many of whom work full time
- Individuals dedicated to collaboration with town government, businesses & residents
- Individuals dedicated to the humane treatment of cats

What does advocAT do?

- Assist residents with trapping stray & feral cats & kittens
- Transport stray & feral cats to & from local vet clinics for spaying/neutering, vaccinations, eartipping, & medical treatment as needed

Eartipping is the universal sign of a neutered cat

- Work with residents to find adoptive families for spayed/neutered/vaccinated/healthy cats

- Socialize stray/feral kittens so that they can be adopted into families via PAWS in Brownsville
- Rely on residents for tax-deductible contributions to finance activities
- Hold garage sales & other fundraising events to help finance activities

What has advocAT done since 2009?

- Handled 287 cats & kittens that have either been adopted, sent to PAWS for adoption, or returned to Rancho Viejo as non-reproducing, healthy cats
- Reduced the number of cats/kittens we handled by 60% - only slightly over 100 cats have been "returned"

How can you help?

- Contact us if you see stray & feral cats in your area
- Make tax-deductible contributions
- Save & donate household items for

the garage sales each year; one in winter and one in summer

- Volunteer with us
- Spay & neuter your cats!
